# Gluten Free Menu

*Our facility is not a Gluten Free facility, we prepare foods with nuts,  
gluten, dairy, eggs, fish, and other common food allergens. We strive for  
minimal cross contamination but the same grills and sandwich press are  
used for our regular menu production as well as this menu...those that  
have very severe food allergies should take this into consideration before  
ordering. All of the ingredients listed in this menu have been carefully  
inspected and to the best of our knowledge are free from gluten.*
